     <h2 id="c1">Intro  <i class="fas fa-caret-down"></i></h2>
     <p id="c2">Hello everyone,I'm karthik from Thanjavur.Now the day job finding is very deficult,but i don't worry about it.because i learn coding in
     my own try,yes.if you think is it  possible,you're not able to do that .if you think it is possible youcan do it now.</p>
   </div>
   <div class="yn">
     <h2 id="c3">Why programming language?    <i class="fas fa-caret-down"></i></h2>
     <p id="c4">The programing language enables us to write efficient programs and develop online solutions such as- mobile applications, web applications, and games, etc.

Programming is used to automate, maintain, assemble, measure and interpret the processing of the data and information. It helps in accelerating the input and output of the devices or applications.</p>
   </div>
